

Dear Wildcat Parents,

We would like to welcome your child to River Road Middle School, for the 2017-2018 school year. We as teachers understand budgeting school supplies for your children. However, in order for your child to be most successful there are a few items that are necessary to aid us in this process. Please, pay close attention to the separation of certain supplies, between boys and girls. The 7th grade teachers came together and comprised a collective list. As always, there may be things later in the year that come up. We feel this should for the most part, be an awesome start! We have tried to cut down on the price as much as possible. We are asking that students bring their supplies and leave them with their name on them and we will have it available for them in each class. Thank you for you continued support! We are requesting a \$5.00 lab fee for each student to be paid on the first day of school. If you need to make arrangements please contact Miss Beck, or Mrs. Belott
